

Aryan College of Engineering and Management

Q: What is the name of the college?

A: The name of the college is Aryan College of Engineering and Management.

Q: Which university is the college affiliated with?

A: The college is affiliated with Purbanchal University.

Q: Where is the college located?

A: The college is located at Devkota Sadak, Mid-Baneshwor, Kathmandu, Nepal.

Q: What are the contact numbers of the college?

A: The contact numbers are 01-4585146 and 01-4582217.

Q: What is the official email address of the college?

A: The official email address is info@thearyanschool.edu.np.

Q: What is the official website of the college?

A: The official website is [The Aryan School Official Website](#)

Q: What level of education does the college provide?

A: The college provides a Bachelor's level education.

Q: What faculties are available at the college?

A: The available faculties are:

- Bachelor in Information Technology (BIT)
- Bachelor in Computer Application (BCA)
- B.Tech in AI
- BE in Engineering
- BE in Civil Engineering

Q: Who is the Principal of the college?

A: The Principal of the college is Er. Dev Raj Joshi.

Q: Who is the Vice Principal (Academic)?

A: The Vice Principal (Academic) is Mr. Prakash Neupane.

Q: Who is the Vice Principal (Admin and Accountant)?

A: The Vice Principal (Admin and Accountant) is Mr. Omkar Nath Gupta.

Q: Who is the Academic Director of the college?

A: The Academic Director is Er. Prakash Dahal.

Q: Who is the Finance Head of the college?

A: The Finance Head is Mrs. Kabita Adhikari.

Q: Who is the Account Officer of the college?

A: The Account Officer is Mrs. Roji Rani Dev.

Q: Who is the Exam Officer of the college?

A: The Exam Officer is Mrs. Dimple Shrestha.

Q: Who is the Librarian of the college?

A: The Librarian is Mrs. Gita Adhikari.

Q1: What is the full name of the college?

A: The full name is Aryan College of Engineering and Management.

Q2: Which university is the college affiliated with?

A: The college is affiliated with Purbanchal University.

Q3: Where is the college located?

A: The college is located at Devkota Sadak, Mid-Baneshwor, Kathmandu, Nepal.

Q4: What is the contact number of the college?

A: The contact number is 01-4585146.

Q5: What is the email address of the college?

A: The email address is info@thearyanschool.edu.np.

Q6: What is the official website of the college?

A: The official website is [The Aryan School Official Website](http://TheAryanSchoolOfficialWebsite)

Q7: What level of education does the college provide?

A: The college provides bachelor-level education.

Q8: What A: The college offers BE Civil Engineering, BIT, BCA-IT, BE Computer Engineering, and B.Tech in AI. (thearyanschool.edu.np) **Are programs available at the college?**

Q9: What does BIT stand for?

A: BIT stands for Bachelor of Information Technology.

Q10: What is BCA-IT?

A: BCA-IT is a Bachelor-level program related to computer applications and information technology.

Q11: Does the college offer engineering courses?

A: Yes, the college offers BE Civil Engineering and BE Computer Engineering.

Q12: Does the college offer AI courses?

A: Yes, the college offers B.Tech in AI.

Q13: Who is the Principal of the college?

A: The Principal is Er. Dev Raj Joshi.

Q14: Who is the Vice-Principal (Academic)?

A: The Vice-Principal (Academic) is Mr. Prakash Neupane.

Q15: Who is the Vice Principal (Admin & Account)?

A: The Vice Principal (Admin & Account) is Er. Omkar Nath Gupta.

Q16: Who is the Academic Director?

A: The Academic Director is Er. Prakash Dahal.

Q17: Who is the Finance Head?

A: The Finance Head is Mrs. Kabita Adhikari.

Q18: Who is the Account Officer?

A: The Account Officer is Mrs. Roji Rani Dev.

Q19: Who is the Exam Officer?

A: The Exam Officer is Mrs. Dimple Shrestha.

Q20: Who is the Librarian?

A: The Librarian is Mrs. Gita Adhikari.

Q21: Does the college provide laboratory facilities?

A: Yes, the college provides modern laboratory facilities.

Q22: Does the college have a library?

A: Yes, the college has a modern library with academic resources.

Q23: Does the college provide e-library services?

A: Yes, the college provides e-library facilities.

Q24: Does the college have a cafeteria?

A: Yes, the college has a cafeteria for students.

Q25: Does the college provide sports facilities?

A: Yes, the college provides sports facilities for students.

Q26: Does the college organize site visits?

A: Yes, the college organizes educational site visits.

Q27: How many programs does the college offer?

A: The college offers 5 programs.

Q28: How many current students are there in the college?

A: The college has 388 current students.

Q29: How many graduates does the college have?

A: The college has 4115 graduates.

Q30: How many faculty and staff members are there?

A: There are 43 faculty and staff members.

Q31: Does the college provide scholarship programs?

A: Yes, the college provides scholarship programs.

Q32: What are the eligibility criteria for BIT?

A: Students must complete 10+2 or equivalent with mathematics and minimum required grades.

Q33: Is an entrance exam required for admission?

A: Yes, an entrance exam is mandatory for admission.

Q34: Is a personal interview required for admission?

A: Yes, students must attend a personal interview.

Q35: Can students apply online?

A: Yes, students can apply online through the college website.

Q36: Does the college provide industrial exposure?

A: Yes, the college encourages internships and industrial training.

Q37: Does the college conduct workshops and seminars?

A: Yes, the college organizes workshops and seminars.

Q38: Does the college have Wi-Fi facilities?

A: Yes, Wi-Fi facilities are available for students.

Q39: Does the college encourage extracurricular activities?

A: Yes, the college encourages extracurricular and co-curricular activities.

Q40: Does the college have IT clubs?

A: Yes, the college has IT clubs and regularly calls for members.

Q41: Does the college have Civil Engineering clubs?

A: Yes, the college has Civil Engineering clubs.

Q42: What career opportunities are available after BIT?

A: Career opportunities include web development, software development, network administration, and database administration.

Q43: Does the college provide practical learning?

A: Yes, the college focuses on practical and hands-on learning.

Q44: Is the college recognized among the top engineering colleges in Nepal?

A: Yes, the college has been recognized among the top engineering and IT colleges in Nepal.

Q45: Does the college focus on research and innovation?

A: Yes, the college promotes research and innovation.

Q46: Are modern classrooms available in the college?

A: Yes, the college has well-furnished modern classrooms with audio-visual aids.

Q47: Does the college support students' professional growth?

A: Yes, the college supports students through mentoring and career-focused education.

Q48: Does the college celebrate annual events?

A: Yes, the college celebrates annual day programs and other events.

Q49: How can students contact the college for more information?

A: Students can contact the college at 01-4585146 or email info@thearyanschool.edu.np.
(thearyanschool.edu.np)

Q50: What should someone do if information is not available on the website?

A: Please contact the college at 01-4585146 or email info@thearyanschool.edu.np for detailed information.

Q51: What is the duration of the BIT program?

A: The BIT program duration is 4 years.

Q52: What is the duration of the BE Civil program?

A: The BE Civil program duration is 4 years.

Q53: What is the medium of instruction at the college?

A: The medium of instruction is English.

Q54: Is the BIT program approved by UGC?

A: Yes, the BIT program is UGC approved.

Q55: Is the BE Civil program recognized by Nepal Engineering Council?

A: Yes, the BE Civil program is recognized by the Nepal Engineering Council.

Q56: How many seats are available in the BIT program?

A: The BIT program has 96 seats available.

Q57: How many seats are available in the BE Civil program?

A: The BE Civil program has 48 seats available.

Q58: Does the college provide personality development classes?

A: Yes, the college provides personality development and communication skill classes.

Q59: Does the college provide book bank facilities?

A: Yes, the college provides book bank facilities for students.

Q60: Does the college organize industrial visits?

A: Yes, the college organizes industrial visits for students.

Q61: Does the college provide research-based education?

A: Yes, the college focuses on research-based education.

Q62: Are classrooms equipped with audio-visual tools?

A: Yes, classrooms are equipped with modern audio-visual tools.

Q63: Does the college provide healthy cafeteria services?

A: Yes, the college cafeteria provides healthy and nutritious food.

Q64: Does the college encourage teamwork and leadership skills?

A: Yes, sports and extracurricular activities help students develop teamwork and leadership skills.

Q65: What subjects are included in the BIT curriculum?

A: The BIT curriculum includes C programming, Database Management Systems, Computer Networks, Data Communication, and Web Development.

Q66: What subjects are included in the BE Civil curriculum?

A: The BE Civil curriculum includes Surveying, Structural Engineering, Transportation Engineering, Engineering Geology, and Project Management.

Q67: Does the college focus on practical learning experiences?

A: Yes, the college provides hands-on projects and practical training experiences.

Q68: Does the college support lifelong learning?

A: Yes, the college promotes lifelong learning among students.

Q69: Does the college provide counseling support to students?

A: Yes, counseling support is available for students.

Q70: Does the college provide placement support?

A: Yes, the college supports students with placement-related activities.

Q71: Are multimedia facilities available at the college?

A: Yes, multimedia facilities are available.

Q72: Does the college have conference facilities?

A: Yes, conference facilities are available at the college.

Q73: Does the college provide internet facilities?

A: Yes, internet facilities are available for students.

Q74: Does the college have parking facilities?

A: Yes, parking facilities are available.

Q75: Does the college conduct tours and educational visits?

A: Yes, the college conducts tours and educational visits for students.

Q76: What is the objective of the BE Civil program?

A: The objective is to develop competent civil engineers with strong technical and problem-solving skills.

Q77: What career opportunities are available after completing BE Civil?

A: Graduates can work in construction companies, consulting firms, government projects, and infrastructure development sectors.

Q78: What is the goal of the BIT program?

A: The BIT program aims to provide strong knowledge and skills in information technology and software development.

Q79: Does the college provide scholarship opportunities to deserving students?

A: Yes, scholarships are available for deserving and meritorious students.

Q80: What should students do if they need more information about admissions, fees, or facilities?

A: Please contact the college at 01-4585146 or email info@thearyanschool.edu.np for detailed information.
